PUBLIC COMMENTS:
A Resident asked why at the Zoning Board of Appeals meeting the chairperson had to excuse himself from running the meeting. A. Treasurer balance as of October 31, 2026, was $202,720.05. Motion to accept the treasurer's report made by B. Blatt, seconded by A. Prill - motion carried.
M. Blatt asked if we should transfer to the road fund the remaining budgeted road money that was not spent for this budget year so that we could use that money for future projects instead of it just going back into the general fund. A. Prill said that she would talk with the auditor about this and let the board know what she recommends.

SUPERVISOR REPORT:
Cemetery Report – M. Blatt stated that the caretaker is working diligently to get all the work done at the cemetery before winter.
Road Report – M. Blatt stated that he had a very long meeting with the Road Commission and discussed roadwork plans through 2035. They will be doing some mowing on Phelps Lake Road to get a better idea of what will need to be done for this project. They also discussed the safety grant which will be a project through 2029. M. Blatt stated that they also discussed future plans for resurfacing the needed blacktop roads and trying to do a 4-mile stretch at a time in order to save money on equipment moving fees.
M. Blatt stated that he is very impressed with the engineering department at the Road Commission and their willingness to plan for future projects in order to save the township money.

NEW BUSINESS:

A. Prill asked if the Board had time to review the possible resolution to prohibit political signs on township property. It was asked if this was a problem and A. Prill stated that it has not been a problem yet. R. Curell stated that maybe we should pass a resolution so that it does not become a problem and B. Blatt stated that he would rather address the issue if or when it becomes a problem. The Board decided to table this topic indefinitely.

Proposed Fire-Code Ordinance – A. Prill stated that she had sent the proposed ordinance to the township attorney several weeks ago but has not received his opinion as of tonight's meeting. M. Blatt said that he would call the attorney to follow up.
