Board Discussion:

Laskowski stated that she feels that the Watershed issue is bigger than just us and that we need to table discussing the Watershed information until we can get further information on this subject because there are so many entities involved. The Board was all in agreement so this subject is tabled. Kim Corl from the Village Planning Commission filled out the MSU Watershed checklist for the Village and the Township. The Township Planning Commission needs to meet with the Village Planning Commission to review the Master Plan and also discuss the Watershed issue. Bragg will talk to Corl and figure out a time to meet. Jim Will's tower on Apache Road is up and Henry Wymore's tower should be up by the spring. Received a letter from John Bishop (Twp. Attorney) regarding the SLU Permit given several years ago for a cell tower on Snover Road. According to Bishop that permit has expired. DEQ Permit Checklist – Lyle Fryers will give out a copy of this checklist to each person that gets a permit from him and he will have them sign something stating that they received it.

Meeting adjourned at 8:18 p.m.

Respectfully submitted by

Amy L. Holbrook, Secretary
